DETAILED ACTION

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest, *inter alia*, a housing, a pivoting member located within the cavity, the pivoting member defining a distal opening and a proximal opening, the opening sized to allow the needle to pass through the openings in the pivoting member, and means for canting the pivoting member into locking engagement with the needle to prevent removal of the needle from the housing when the needle tip is within the cavity and the needle is withdrawn from the distal opening of the pivoting member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Manuel Mendez whose telephone number is 703-308-2221. The examiner can normally be reached on 0730-1800 hrs.
